

# Trauma

**09:30 - 11:30**

**Hall: Hall A**

**Chairpersons:** *-in alphabetical order-*

Ahmed Shash - Cairo University  
Assem Abdelrazek - Alexandria University  
Atef Radwan - Zagazig University  
Magdy Khalil - Menoufia Liver Institute  
Rafik Alfy Ramzy - Military Academy

09:30 - 09:50 **Anesthetic Considerations in Traumatic Spinal Cord Injuries**  
Hany Victor                      Ain Shams University

09:50 - 10:10 **Monitoring and Management of Awareness in Trauma Anaesthesia**  
Mohamed Ibrahim              Alexandria University

10:10 - 10:30 **Geriatric Trauma Management**  
Gihan Elkhoully                Cairo University

10:30 - 10:45 **Discussion**

10:45 - 11:30 **Interactive Discussion: Anesthetic Considerations in Poly Traumatized Patient**  
Amr Helal                         Ain Shams University  
Amr Sobhy                         Ain Shams University

**11:30-12:00**

**Coffee Break**

## Liver & Renal Anesthesia Update

**09:30 - 11:30**

**Hall: Hall B**

**Chairpersons:** *-in alphabetical order-*

Maged El Ansari - Cairo University

Mostafa Magdy - Zagazig University

Nabil El Askalany - Military Academy

Soad Mansour - Al Azhar University

09:30 - 09:50 **Predictive Models & Short Term Mortality after LDLT due to Acute Liver Failure**

Heba Abdel Azim

Ain Shams University

09:50 - 10:10 **LDLT: Hemodynamics and Fluid Management**

Khaled Yassin

Menoufia Liver Institute

10:10 - 10:30 **Management of Anticoagulants in Renal Impairment**

Gamal Elewa

Ain Shams University

10:30 - 10:45 **Discussion**

10:45 - 11:30 **Interactive Discussion: Hepatorenal Syndrome: to Transplant or not?**

Amr Yassin

Mansoura University

**11:30-12:00**

**Coffee Break**

Tuesday, 25 April 2017

DAY01

## Industrial Symposium

**12:00 - 12:30**

**Hall: Hall A**

12:00-12:20     **Monitoring Technology Encourages the Cost Effective Use of Recent Inhalation Agents and Improves Safety: A Ten Years' Experience in Liver Patients**  
Khaled Yassin                      Menoufia Liver Institute

12:20-12:30     **Discussion**

The AbbVie logo is displayed in a dark blue, lowercase, sans-serif font. The letters are closely spaced and have a clean, modern appearance.

## Acute Pain & Regional Anesthesia

**12:30 - 14:30**

**Hall: Hall A**

**Chairpersons:** *-in alphabetical order-*

Doaa Farid - Zagazig University

Hazem Yousry - GOTHI

Mohga Samy - Cairo University

Nagy Sayed Aly - Minia University

12:30 - 12:50 **Regional Anesthesia for Patients with Systemic Sclerosis**

Yasser Omar

Ain Shams University

12:50 - 13:10 **Peripheral Nerve Injury during Regional Anesthesia**

Mohamed Teaima

Ain Shams University

13:10 - 13:30 **Pain Relief after C.S.: Safety of Breast Feeding**

Karim Youssef

Ain Shams University

13:30 - 13:45 **Discussion**

13:45 - 14:30 **Interactive Discussion: Ophthalmic Regional Anesthesia in Patients Receiving Antithrombotic**

Ashraf Eskandar

Menoufia University

## Obstetrics

**12:30 - 14:30**

**Hall: Hall B**

**Chairpersons:** *-in alphabetical order-*

Abdel Rehim Dewedar - Tanta University

Ahmed Ibrahim - Ain Shams University

Hamdy Abbas - Assiut University

Mona Hashish - Mansoura University

12:30 - 12:50 **Caesarian Section for a Successful Liver Transplantation Survivor**

Hadeel Magdy

Ain Shams University

12:50 - 13:10 **Major Obstetric hemorrhage: Updated Guidelines**

Mohamed Samy Abdel Rehim Assiut University

13:10 - 13:30 **Anesthesia for Parturients with Substance Abuse**

Dalia El Faw

Ain Shams University

13:30 - 13:45 **Discussion**

13:45 - 14:30 **Interactive Discussion: Caesarian Section for Multiple Sclerosis**

Sherif Anis

Ain Shams University

Hatem Saeid

Ain Shams University

## ICU I

14:30 - 16:30

Hall: Hall A

**Chairpersons:** *-in alphabetical order-*

Enaam Gadallah - Banha University

Fatma Khamis - Suez Canal University

Nawal Mokhtar - Cairo University

Saeid Ali - Al Azhar University

14:30 - 14:50 **Management of delirium and cognitive dysfunction in the critically ill patient**

Bassem Boules                      Ain Shams University

14:50 - 15:10 **New Therapies in Septic Shock Management**

Sherif Wadea                      Ain Shams University

15:10 - 15:30 **Hemolytic Syndrome in obstetric ICU**

Noha El Sharnouby                      Ain Shams University

15:30 - 15:45 **Discussion**

15:45 - 16:30 **Management of Polyuria in the ICU - Interactive Case Discussion**

Sherif Anis                      Ain Shams University

## Neuro-Anesthesia

**14:30 - 16:30**

**Hall: Hall B**

**Chairpersons:** *-in alphabetical order-*

Ezzat El Taher - Suez Canal University

Magda Foad - Menoufia University

Maher Fawzy - Cairo University

Salwa Shaarawy - Alexandria University

14:30 - 14:50 **Anaesthetic Management of Pregnant Patient with Brain Tumor**

Hesham Abou El Dahab

Cairo University

14:50 - 15:10 **Emergence Hypertension in Craniotomy**

Osama Hosny

Cairo University

15:10 - 15:30 **Awake Craniotomy for Neurovascular surgeries**

Ranea Samer

Cairo University

15:30 - 15:45 **Discussion**

15:45 - 16:30 **Delayed Recovery after Craniotomy (Interactive Discussion)**

Nasser Fadel

Cairo University

## ICU II

**09:30 - 11:30**

**Hall: Hall A**

**Chairpersons:** *-in alphabetical order-*

Amr Elsaid - Ain Shams University

M. Emad Abdel Ghaffar - Suez Canal University

Osama Abdelhay - Al Azhar University

Raafat Abdel Azim - Ain Shams University

Yehia Khater - Cairo University

09:30 - 09:50    **Use of APRV in ARDS patients**  
Michaela Kollisch-Singule                      USA

09:50 - 10:10    **Anemia management in critically ill patient**  
Sameh Salem                                      Ain Shams University

10:10 - 10:30    **Nutrition management in Acute pancreatitis**  
M. Emad Abdel Ghaffar                      Suez Canal University

10:30 - 10:45    **Discussion**

10:45 - 11:30    **Interactive Discussion: Hyperoxia in the critically ill patient**  
(pros & cons)  
Mohamed El Feky                                      Ain Shams University

**11:30-12:00**

**Coffee Break**

## Anesthesia & Obesity

12:00 - 14:00

Hall: Hall A

**Chairpersons:** *-in alphabetical order-*

Ashraf Emad - Military Academy

Mohamed Abdelgawad - Suez Canal University

Mohamed Ismail - Ain Shams University

Seif El Eslam Shahin - Ain Shams University

12:00 - 12:20 **Deep neuromuscular block in laparoscopic bariatric surgery:**

**Review of current evidence**

Mohamed Abdulatif

Cairo University

12:20 - 12:40 **Obstructive Sleep Apnea (OSA) in the super obese: a road map to safe recovery**

Mounir Afifi

Alexandria University

12:40 - 13:00 **Intraoperative ventilator management of morbidly obese**

Yehia Khater

Cairo University

13:00 - 13:15 **Discussion**

13:15 - 14:00 **Opioid Free Anesthesia: Pros & Cons**

Waleed Hemimy

Cairo University

## Chronic Pain I

**14:00 - 16:00**

**Hall: Hall A**

**Chairpersons:** *-in alphabetical order-*

Magda Abou Ollow - Alexandria University

Mohamed Abdel Latif - Assiut University

Mohamed Hafez - Cairo University

Soheir Farag - Al Azhar University

Tawfik Nour El Din - Al Azhar University

14:00 - 14:20 **Best Practices in Opioid Prescription, Dosing and Opioid Rotation**

Khaled Abdel Hamid

Cairo University

14:20 - 14:40 **Interventional headache and face pain management**

Samer Narouze

USA

14:40 - 14:50 **Discussion**

14:50 - 15:25 **interactive discussion: Endoscopic spinal disc compression: interventional pain technique**

Pankaj N Surange

India

15:25 - 16:00 **Interactive Discussion: Low back pain**

Mohamed Abdel Raouf

Cairo University

## Clinical Pharmacology

14:00 - 16:00

Hall: Hall B

**Chairpersons:** *-in alphabetical order-*

Bahaa Ewiss - Ain Shams University

Essam Sharkawy Abdallah - Assiut University

Mohamed Abdel Monim Bakr - Assiut University

Salah Ibrahim - Cairo University

14:00 - 14:25 **Therapeutic problem: Does the use of Rocuronium and sugammadex alleviate the fear of use of non-depolarizing muscle relaxant in myasthenia gravis patients**

Ranea Magdy

Ain Shams University

Ahmed Nour Eldin Hassan

Ain Shams University

14:25 - 14:50 **Therapeutic problem: A case of carbamazepine (Tegretol®) induced resistance to antihypertensive medication in epileptic pregnant**

Lobna Ahmed Saleh

Ain Shams University

Aya Shaarawy Abdelshafy

Ain Shams University

Ahmed Nagah Elshaer

Ain Shams University

14:50 - 15:15 **Adverse Drug Reaction: Ertapenem (Invanz®) induce stroke like symptom in CRF patient with cellulitis**

Amr Sobhy

Ain Shams University

Sawsan Aboul-Fotouh

Ain Shams University

15:15 - 15:40 **Adverse Drug Reaction: Postoperative ARDS in a child follows cleft palate repair: suspected Betadine induced chemical pneumonia?**

Dina Saleh

Ain Shams University

Sherin Shafik Tawfik Saad

Ain Shams University

15:40 - 16:00 **Discussion**

## Airway

09:30 - 11:30

Hall: Hall A

**Chairpersons:** *-in alphabetical order-*

Abdalla Fekry - GOTH

Ahmed Elattar - Alexandria University

Hussein Sabry - Ain Shams University

Talaat Abdelhalim - Al Azhar University

09:30 - 09:50 **Difficult airway algorithms and VORTEX approach for airway management**

Ralf Krage

Netherlands

09:50 - 10:10 **Simulation in airway management: A New Trend for Patient Safety Improvement**

Vanda Abi Raad

Lebanon

10:10 - 10:30 **New Guidelines for Obstetric Difficult Airway**

Tarek Elsaid

Al Azhar University

10:30 - 10:45 **Discussion**

10:45 - 11:30 **Interactive Discussion: EGAD as a conduit for tracheal intubation**

Yasser Karim

USA

11:30-12:00

Coffee Break

## Chronic Pain II

09:30 - 11:30

Hall: Hall B

**Chairpersons:** *-in alphabetical order-*

Abdelfattah Abdelsattar - Cairo University

Ihab Abdel Rahman - Banha University

Kamal Hiakal - Tanta University

Sanaa Eltohamy - Zagazig University

09:30 - 09:50 **Peripheral Neuropathies, Update and New Management Modalities**

Ian Goodall

UK

09:50 - 10:10 **Ultrasound Guided Pain Procedures: Safety and Efficacy**

Samer Narouze

USA

10:10 - 10:30 **Designing a Pain Management Services**

Ian Goodall

UK

10:30 - 10:45 **Discussion**

10:45 - 11:30 **Radiofrequency Nerve Ablation for Management of Low Back Pain and peripheral nerves**

Mowafak Abdelghani

UK

Alaa Abd-Elsayed

USA

11:30-12:00

Coffee Break

## Meet the Experts

**12:00 - 14:00**

**Hall: Hall A**

**Chairpersons:** *-in alphabetical order-*

Abdel Rahman Hassan Abdel Rahman - Sohag University

Alaa Eid - Ain Shams University

Hoayada Osman - Zagazig University

Mohamed Abdulatif - Cairo University

12:00 - 12:40 **Fibrinogen concentrate: Prophylactic and therapeutic potentials**

Tarek Ansari

UAE

12:40 - 13:20 **Misconceptions of labor epidural analgesia: Defeating myths with evidence**

Mohamed Abdulatif

Cairo University

13:20 - 14:00 **Enhanced recovery after bariatric surgery**

Waleed Hemimy

Cairo University

## Pediatric Anesthesia

12:00 - 14:00

Hall: Hall B

**Chairpersons:** *-in alphabetical order-*

Adel Rezk Botros - Zagazig University      Ezz El-Din Fikri Ismail - Al Azhar University

Mohsen Algiooshi - Al Azhar University      Saad Ibrahim - Banha University

Salah Eldin El Sherif - Tanta University

12:00 - 12:20      **Who should anesthetize the pediatric patients  
(Competencies & Skills)**

Moataz Abdel Rahman      UK

12:20 - 12:40      **Pediatric Fluid Therapy: The Myth of the Third Space**

Gamal Fouad      Ain Shams University

12:40 - 13:00      **Most Important Publications in Pediatric Anesthesia &  
Intensive Care**

Moataz Abdel Rahman      UK

13:00 - 13:15      **Discussion**

13:15 - 14:00      **The Sick Child for minor surgery (Interactive Case Discussion)**

Hany EL Zahaby      Ain Shams University

## Enhanced Recovery after Surgery

14:00 - 16:00

Hall: Hall A

**Chairpersons:** *-in alphabetical order-*

Ahmed Helmy - Cairo University

Azza Ezzat - Cairo University

Hassan Osman - Alexandria University

Mohamed Galal - Alexandria

Ragae Kandil - Military Academy

14:00 - 14:20 **Enhanced Recovery after Surgery (ERAS) Protocol: Time to Change Practice**

Tawfik Nour El Din      Al Azhar University

14:20 - 14:40 **The Role of Advanced Hemodynamics Monitoring in ERAS**

Medhat Shalaby      UAE

14:40 - 15:00 **Role of ERAS in oncological surgery – surgeon’s perspective**

Ahmed Elkasid      Menoufia University

15:00 - 15:15 **Discussion**

15:15 - 16:00 **Interactive Discussion: Applying ERAS Concepts in bariatric Surgeries**

Medhat Shalaby      UAE

Errol Lobo      USA

## Safety and Education

14:00 - 16:00

Hall: Hall B

**Chairpersons:** *-in alphabetical order-*

Farida Azmy - GOTH

Ibrahim Abdelghani - Ain Shams University

Mahmoud Amer - Bani Suif University

Moataz Abdel Rahman - UK

14:00 - 14:20 Human Errors; How can we do things better  
Mowafak Abdelghani UK

14:20 - 14:40 **The Role of Professional Bodies in the Specialty of Anesthesia**  
Russell Perkins UK

14:40 - 15:00 **Risk Factors for Patient Safety**  
- **Equipment**  
- **Patient Underlying Diseases**  
- **Anesthetist and Surgeon Factors**  
Megahed Abdel Fattah UAE

15:00 - 15:20 **Quality in Anesthetic Practice: Tools, Indicators & Risk Management**  
Aly Anwar KSA

15:20 - 15:40 **Standards of Training and Education in Anesthesia**  
Russell Perkins UK

15:40 - 16:00 **Discussion**
